The Personal Choice® Preferred Provider Organization (PPO) gives you freedom of choice by allowing you to select your own doctors and hospitals. You maximize your coverage by accessing care through Personal Choice's network of hospitals, doctors, and specialists, or by accessing care through preferred providers who participate in the BlueCard® PPO program. If you access care from a provider who does not participate in our network, you will have higher out-of-pocket costs and may have to submit your claim for reimbursement.

This summary represents only a partial listing of benefits and exclusions of the Medical Program described in this summary. If your employer purchases another program, the benefits and exclusions may differ. Also, benefits and exclusions may be further defined by medical policy. As a result, this managed care plan may not cover all of your health care expenses. Read your contract/member benefit booklet carefully for a complete listing of terms, limitations, and exclusions of the program. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.ibx.com/LGIACBooklet or call 1-800-ASK-BLUE (TTY: 711).

Benefits may be changed by Independence Blue Cross to comply with applicable federal/state laws and regulations.

Certain services require preapproval/precertification by the health plan prior to being performed. To obtain a list of services that require authorization, please log on to <http://www.ibx.com/preapproval> or call the phone number that is listed on the back of your identification card.
