

## BENEFITS

# Plan Pricing

Select the plan that works best for your needs.

## Future Standard

## Coverage

The legal plan benefit extends to your spouse or domestic partner, dependents up to the age of 26 years old and parents or in-laws who reside in the members home.

## About IdentityIQ

Your identity is more than just an online footprint — it's who you are. IdentityIQ provides comprehensive protection for every part of your life, so you can focus on what matters most while we handle the rest.

## Questions? Contact Our Customer Care Center

## How to Enroll

Enroll on your benefit admin. system during open enrollment and select the Legal plan.

## How To Activate Your Benefits

After your enrollment has been processed, you'll receive activation emails from [support@identityiq.com](mailto:support@identityiq.com) to activate your plan.

You must activate your plan to access any of the plan benefits, as they won't be enabled automatically. If you do not activate your plan, you will not have full access to your benefits and dashboard.
