The legal plan benefit extends to your spouse or domestic partner, dependents up to the age of 26 years old and parents or in-laws who reside in the members home.

To connect to a network attorney, call 888-228-4635

How to Enroll

Enroll on you benefit admin. system during open and select the Legal plan.

How To Activate Your Benefits

After your enrollment has been processed, you'll receive activation emails from support@identityiq.com to activate your plan.

You must activate your plan to access any of the plan benefits, as they won't be enabled automatically. If you do not activate your plan, you will not have full access to your benefits and dashboard.
